

South Carolina 2010 Small Business Tax Workshops

The Internal Revenue Service, the South Carolina Department of Revenue (DOR), and the South Carolina Employment Security Commission (ESC) provides South Carolina's taxpayers top quality service by helping them understand and meet their tax responsibilities and by applying the tax law with integrity and fairness to all.

The workshops presented (listed on the back of this page) offer guidance on record keeping, types of business entities, Schedules C & SE and employment taxes. The employment tax segment provides an overview of Forms 940, 941 & 944, including e-file and EFTPS due dates. There is also a discussion on Employee Classification (Employee vs. Independent Contractor). Classes are taught by instructors who are qualified to practice before the IRS (Certified Public Accountants and Enrolled Agents) and by South Carolina DOR and ESC Revenue Agents.

Pre-registration is required for all of the workshops. Classes will last all day. ***To register, contact the local SBDC or College listed on the back of this flyer.*** Contact information is provided next to the workshop you wish to attend.
