

Victims 1st Judicial Task Force

Mission:

The mission of Victims First Judicial Task Force is to create and maintain an atmosphere of mutual cooperation directed toward a common goal of assisting victims of crime with compensation claims as well as assisting victims through Partnerships and Education.

Goal:

To provide Awareness & Education to Victim Service Providers by Increasing Community Awareness of Victim Services.

Objective:

To provide information, publications, and sponsor 2 yearly trainings for service providers and the community on victim related issues.
